

Commercial Real Estate & Development

Stephensons provides a single source of commercial real estate advice and assistance. Unlike many solicitors, we take a very proactive approach in this area, making business happen by introducing opportunities to our clients in a true partnership fashion. We advise clients individually or can introduce them to joint venture partners where required.

We can help with

Commercial real estate

We are able to provide an end-to-end commercial real estate service for clients. From finding the opportunity and acquiring it; from planning to construction and fitting out; from financing the project to disposing of the property for investment purposes.

Key facts about us

- We have a genuine commitment to understanding our clients' businesses and working with them on a partnership basis.
- We operate on a hands-on but informal basis and are never more than a phone call away.
- We offer proactive advice that is clear, comprehensive and tailored to the long-term goals of our clients.
- Our policy of meeting clients wherever possible at their own premises and our lower office overheads enable us to charge more competitive fees than many city-based firms.
- We will always consider alternative charging approaches, including fixed fees and will assist clients in seeking and securing available funding options.
