

Debt Recovery Service

working
with you,
for you

Credit control is a crucially important area of business management. Cash flow is the lifeblood of any business. Businesses need the collection of debts to be efficient, essential to maintaining a healthy cash flow and avoid serious financial difficulties when customers delay or default on payment.

Stephensons

Debt Recovery

Stephensons' debt recovery service has been designed to meet the needs of business when payment problems arise. The service provides a highly cost-effective solution to the typical offerings of debt collection agencies. Our systems have been specially developed to make the process as simple and rapid as possible. We guarantee to send a letter before action on the same day of instruction, provided the instructions are received before 4pm.

Our initial letter before action is charged at **£15 inclusive of VAT**, no matter the size of the debt owed. Beyond this our work is done to a fixed fee determined by the amount of the debt in undefended cases.

Stages of the process:

- Letter of claim - typically seven days to pay
- Issue Court proceedings
- Judgment/enforcement
- Bankruptcy/winding up proceedings

All you need to do is instruct us, visit our online instruction form and complete your information: **Debt Recovery Instruction** this will action your case immediately.

Alternatively, please visit www.stephensons.co.uk/debtrecovery or email debt@stephensons.co.uk for more information.

Stephensons' debt recovery service is known for its personal approach to debt management, allowing us to identify the needs of individual clients, and giving our client's the peace of mind to know that we are on hand to assist.

Our team will liaise with you on your cases by telephone and if required, by electronic reporting.

If a claim is defended, then our team will provide you with options on a cost effective way forward, ensuring that we are always acting in your interests and if necessary, the matter will be referred to our specialist litigation team.

The debt recovery service is backed up with cross department support from litigation experts and insolvency advisers.

Our approach is professional and efficient and process-driven. We work with you in your business to achieve results for you to improve your bottom line and keep your finances healthy.

Our service is underpinned by commercial, practical and sound advice.
